

EXPRESS DUAL 2000

ULTIMATE SIMPLICITY.

SIMPLE TO USE CONTROL PANEL

SIMPLE REEL DRIVE SYSTEM

POSITIONING SCALES FOR QUICK SET UP

THE EXPRESS DUAL 2000 OFFERS THE SPEED, ACCURACY AND PERFORMANCE OF THE FAMOUS EXPRESS DUAL SYSTEM AT A COMPETITIVE PRICE.

When the Express Dual 2000 is used in tandem with the Anglemaster 1000 bedknife grinder, these affordable machines provide a complete in-house facility for the grinding of reel mowers at high speed and at minimum cost.

MECHANICAL

Rigid, torsionally robust chassis.

Automatic traverse.

OPERATIONAL

Fast turnaround (Greens unit: from as little as five minutes, Fairway unit: 15 minutes floor-to-floor).

Simple controls panel.

Safe, self-aligning, torqued controls.

ERGONOMICS

Simple and effective safety guard.

OPTIONAL EXTRAS

Express lift table.
