EVENT TEE MARKER

Make an event extra special for golfers by marking the tees with personalized messages. This popular option can be offered to outside event organizers or used for internal club events. The do-it-yourself decals can be easily printed at your facility using any color inkjet or laser printer. Designed with special adhesive, the decals hold securely, but can be removed leaving minimal residue after the event.

BIG CUP GOLF

Use Big Cups (8 in. or 15 in.) to grow the game of golf. It's undeniably a great way to attract beginner and junior play. And when used during special events, it can re-attract golfers who may have left the game.

A Big Cup can be used alone, or it can be used in tandem with a regulation cup. By providing these two targets, inexperienced players can play in the same group with more experienced players.

Par Aide offers everything needed for Big Cup Golf, from cups to hole cutters to special tee markers and flags.

Splintered handles, missing teeth and loose heads not only reflect poorly on your course, they can slow pace of play and annoy golfers trying to keep bunkers properly raked. Annual checks and replacement of worn rakes keeps customers happy and bunkers in top condition. And it helps avoid the expense of replacing them all at once. **Designed to perfection.**

Accuform® AccuSeed™

The Accuform® AccuSeed™ is the perfect spot seeding tool. The specially designed stainless steel spring loaded spikes puncture the turf 5/16 in. deep while dropping bent grass seed precisely into the holes, allowing for ideal seed to soil contact. Grass seed is easily filled into the black housing and is only released when the spring-loaded head compresses. There is minimal impact to the surface, due to the flat surface of the seed housing, which causes little disruption to play. 43 in. tall (109 cm).
